Everybody On

HP International Power Charger Adapter

Unique twist-to-lock

With the HP International Power Charger Adapter, you can take your TouchPad with you, wherever you go. Small and neat, its unique twist-to-lock design allows you to maximise precious wall space.

- **International style and power**
  Charge your TouchPad at home or abroad. With the HP International Power Charger Adapter, you can take it with you, wherever you go. It has five different connectors, for the US, the UK, the EU, Australia and China. Just plug it in – and start work!
- **Maximise space and storage**
  Don't want to use up precious wall socket space? The HP International Power Charger Adapter has a unique functional design with twist-to-lock, to maximise the space you do have, and foldable prongs for ultra-easy storage.
- **Convenience and flexibility**
  The HP International Power Charger Adapter includes a removable 1.5 m (5 ft) cable, so plugging it in to your TouchPad is easy. Designed for optimal system performance, it automatically adjusts for 100 to 240 voltages for ultimate convenience.
